

FIRST COMPLETE CATALOGUE  
OF  
LICENCED SINGLES

Predgovor

Ovaj katalog predstavlja zbir podataka o najpopularnijem obliku prezentiranja muzičkih ostvarenja tokom niza godina - malim gramofonskim pločama.

Katalog pokriva licencna izdanja u razdoblju 1957-1985 godine izdanih u JUGOTON-u (danas Croatia Records). Mnoge ploče od ovdje spomenutih i prikazanih, već su pale u zaborav, dok neke od njih postale su vrlo tražene. Svi prezentirani podaci sistematizirani su preme rednom broju ploče i datumu tiskanja (podatak u "dead wax" polju). U slučaju doštampavanja jedne te iste ploče, uzet je najstariji datum.

Prvih nekoliko desetaka ploča bilo je izdano sa omotom Jugoton-designea, a kasnija izdanja imala su u pravilu omote koji su direktno upućivali na izvođača, bilo slikom ili crtežom ili samo tekstom. Upravo takvi omoti činili su Jugotonove ploče različitim od ostalih u ovom dijelu Europe, jer je dobro poznata činjenica da npr. redovna engleska izdanja (duži period) bila su izdavana sa omotom kompanije koja je štampala ploču. Slobodnim odabirom omotnice, Jugotonove ploče dobro su poznate širom svijeta.

Pripremajući se za ovo prvo izdanje kataloga u Hrvatskoj, ove vrste, od samog početka pa do kraja, imao sam nesebičnu podršku mojih prijatelja i poznanika, te im se od srca zahvaljujem na pomoći u prikupljanju potrebnih podataka.

Navodim ih abecednim redom: Branko Belsö  
Franjo Golubić  
Željko Hrdelja  
Mario Kinel  
Nenad Kopun  
Veljko Lipovšćak  
Damir Pintar  
Slavko Šterk  
Ratimir Softa  
Željko Vukres

Napomena:  
U opisivanju ploča, služio sam se pravilom kako slijedi:  
( x ) - omot kompanije  
( AC ) - art omot  
( TC ) - slovčani omot  
( PC ) - slikovni omot

U Zagrebu, svibanj 1995.

ISBN 953 - 96384 - 0 - 2

Introduction

After a long time, you can see this first singles catalogue which presents all licenced singles published under Jugoton label from 1957 up to summer 1985.

Some of them are very collectable these days, si I decided to put them all together at one "place". All facts were taken directly from each record itself and were systematized accordin to dates of its pressing.

There is no need to say that most of them are very hard-to-find in mint condition, especially its covers. The value of a record I leave over to the reader.

Few abbreviations used in this catalogue:  
( x ) - company cover /sleeve/  
( AC ) - art cover  
( TC ) - tittle cover  
( PC ) - picture cover

I have finished this work with the assistance of many people (listed below), and I am very grateful for their support:

Branko Belsö  
Franjo Golubić  
Željko Hrdelja  
Mario Kinel  
Nenad Kopun  
Veljko Lipovšćak  
Damir Pintar  
Slavko Šterk  
Ratimir Softa  
Željko Vukres

Finally let us all hope that isn't the last catalogue of interesting singles from the past.
